Why Philips Trimmers are the best choice for you!

PowerAdapt sensor
For a consistent trimming performance even on dense, bushy & long beards.

Self sharpening blades
Stay as sharp as day 1 even after 3 years of usage

DuraPower technology
Lasts longer than 6 ordinary trimmers put together*

Rounded tip blades
Ensuring enhanced skin protection

Lift & Trim system
For an even trim & 30% faster cutting*

Ergonomic Design
For easy & comfortable handling

No oil required
Philips trimmers do not require any kind of oil to be used

3 year warranty*
Standard 2 year warranty + additional 1 year warranty on registering on philips.co.in

*Only applicable on series 3000 & series 7000 trimmers

+Basis battery comparison between Philips & an ordinary trimmer. Tested under standard conditions

*Applicable only on all Male grooming products above MRP Rs. 1400 MRP except for OneBlade model QP2512/QP2525/QP2532

Hair Straighteners

Get wow straight hair
that feels like silk

Why Philips Straighteners are the best choice for you!

Kerashine Technology

The plates are enriched with keratin to provide hair protection & impart shine

Silk ProCare Technology

Plates smoother than silk gently glide through your hair with optimized temperature, minimizing friction and resulting in less heat exposure

ThermoProtect

Helps provide optimal drying temperature and additional protection from overheating

Ionic conditioning

Charged negative ions eliminate static, condition & smooth the hair cuticles to provide smooth, shiny & frizz free hair

Titanium Infused Plates

Help provide faster and more efficient heat transfer from the plates to your hair giving unmatched straightening performance

2 years international warranty
