

Quench

Made in Korea

Quench

Hey there!

Thank you for choosing Quench - skincare that is made in Korea, inspired by natural ingredients and specially formulated for Indian skin.

Over 18 months of conceptualizing, designing, testing and loving the product(s) you see here has led us to share this with you and we hope you fall in love with them too.

All Quench products are free of harmful chemicals, 100% vegetarian and cruelty free and of course, perfect for healthy glowing skin!

We're here,
Team Quench
