ABOUT SUGAR

SUGAR Cosmetics, a cult-favourite amongst millennials, is one of the fastest growing premium beauty brands with over 250+ products in its range. With its clutter-breaking persona, edgy packaging and chart-topping products, SUGAR is the makeup of choice for bold, independent women who refuse to be stereotyped into roles. Crafted in state-of-the-art facilities across Germany, Italy, USA, Korea, and India, the brand ships its bestselling products in Lips, Eyes, Face and Nails categories across the world. With a cruelty-free range that is high on style and higher on performance, the brand is obsessed with crafting products that are a perfect match for every Indian skin tone across seasons and around the calendar. Come, dive into the world of SUGAR today!

“

Makeup is the one thing that women wear for themselves
- nothing feels as real as questioning the stereotypes and
wearing whatever makes us truly happy!
