ABOUT US

45 YEARS OF INNOVATION IN PAINT

Since its foundation in 1975, FLASH Paints has come a long way to manufacture Specialty Paints and Industrial Paint with excellent quality and consistency. Our Brand has well accepted in India and many other countries.

Since beginning in the year 1975, Lakshmi Paints have become one of the well-known and renowned names in the industry for manufacturing and exporting a wide range of qualitative paints. Our complete Raw Materials are sourced from the leading vendors of the market. Each and every product offered by us conforms to international quality standards. Due to the quality of our products, patrons across the country appreciate our products. We offer at very cost effective price range for customer satisfaction.

The brand "Flash" comes under the umbrella of M/s Lakshmi Paints who are members of various associations viz., Indo-German Chamber, IPA (Indian Paint Association), ISSPA (Indian Small Scale paint Association & IPCA (Indian Paint and Coating Association).

The company was started by Mr. B. Jaishanker who has mastered in Hi Tech Industrial and Decorative paints with his novel ideas and a passion for colours making entry into the paints business. His focussed vision and endeavour for excellence has made him a trend setter in the Indian Paint Industry.

His extremely popular paint brand "Flash" maintains an equilibrium between variety and quality is comparable to the very best in the world. He was also awarded the "Hind Rattan" award for the year 1997, at Muscat.

PRODUCT DESCRIPTION

Our versatile new gloss paint is perfect for painting glassware, wood, hard plastics and a variety of other surfaces. Decorate ordinary glass items, flea market finds and more for your home. Embellish or personalize glass, ceramic and wood ornaments for holiday gift giving. Painted glassware may be baked for increased durability.

Available Shades:

Application On: Paper, Boards, Wood and Primed Canvasses

Available Size: 25ml

Ready to Pour Pouring Paint

-----PRODUCT DESCRIPTION-----

Acrylic Pouring is a fascinating fluid painting technique. It is based on acrylic paint, which can be brought into a liquid, this Ready to Pour liquefied paint is poured into each other or tilted onto the canvas and distributed by tilting the painting surface. Depending on the choice of paint, the medium, and the additives, different effects are created.

- **Premixed, Ready-to-Pour Acrylic Paint** - This high-flow paint has the right ratio of pouring medium already mixed in, so no need to worry about prepping your paint.
- **Nontoxic & Safe Acrylic Paint Pouring** - All of the acrylic paints in this set conform to ASTM D-4236 and EN71 standards.

Application On: Paper, Boards, Wood and Primed Canvasses

Artists' Metallic Gouache Colors

PRODUCT DESCRIPTION

Beloved by professional illustrators, gouache pigment allows for vibrant colors. The white of the paper does not show through, unlike transparent watercolor, and this makes the application of the paint a different experience from traditional watercolor. Our Metallic Gouache Colors set is great for layering, glazing, texturing, detailing, and blending. • Vibrant and opaque colors, packed with pigment • Quick-drying and non-toxic.

Available Shades:
