WOODEN SOFA SETS

A modern wooden sofa set is displayed in a living room. The set includes a three-seater sofa, two armchairs, and a coffee table, all featuring dark wood frames and light-colored cushions. The sofa is positioned against a light-colored wall with a large window in the background, which has dark curtains. To the left of the sofa, there is a small side table with a vase of flowers. To the right, another side table holds a lamp and a small statue. A round clock is mounted on the wall to the right of the window. The floor is covered with a light-colored rug, and a brown shaggy rug is placed under the coffee table.
