About us

Varun Stainless Private Limited is a leading manufacturer, exporter and supplier of high quality stainless steel Utensils and Kitchenware from India. With a monthly production capacity of around 100-150 tons, we have a team of experienced professionals who are constantly working to create new ideas, standing high in terms of quality and finish.

Established in the year 1995, we have three production lines working under full capacity. Under the efficient supervision of Mr. Mahesh, who has vast experience in this field, we are fully capable of meeting any demand of the domestic and international buyers. Maintaining high standards of quality in the cut-throat competition, the Stainless Steel Utensils and manufactured by the company scores high in terms of premium quality and superior finish. An exceptional relationship with our customers exemplifies our commitment to focus completely on providing reliable value for money for our customers.
