Cut Pile PP Heat Set Fraise

PREMIUM

Comfort and soft carpet is designed to provide a luxurious and cozy feel underfoot. Here are some key features:

Key Features

1. **Plush Pile:** Deep, dense pile construction for ultimate softness.
2. **Soft Materials:** Made from materials like nylon, polyester, or wool for a comfortable feel.
3. **High-Density Fiber:** Tightly packed fibers for durability and softness.
4. **Thick Backing:** Heavy-duty backing for added stability and comfort.
