SOFT CUT PILE CARPET

SOFT | LUXURY | COMFORT

Noise reduction

A tropical beach scene with a large, textured rock in the foreground, palm trees, and a person in the distance. The sky is blue with light clouds, and the ocean is visible on the left.

Soft carpet can absorb sound and reduce the amount of noise in a room..

This can be especially helpful for rooms with Children or pets.

Camel – PO 26

A scenic landscape featuring a winding road that curves through a hilly, brownish terrain. The foreground is dominated by a rocky, scree-covered slope. The middle ground shows a dirt road that transitions into a paved road as it winds through the hills. The background consists of rolling hills and distant mountain ranges under a clear sky. The overall color palette is warm and earthy, with various shades of brown, tan, and beige.

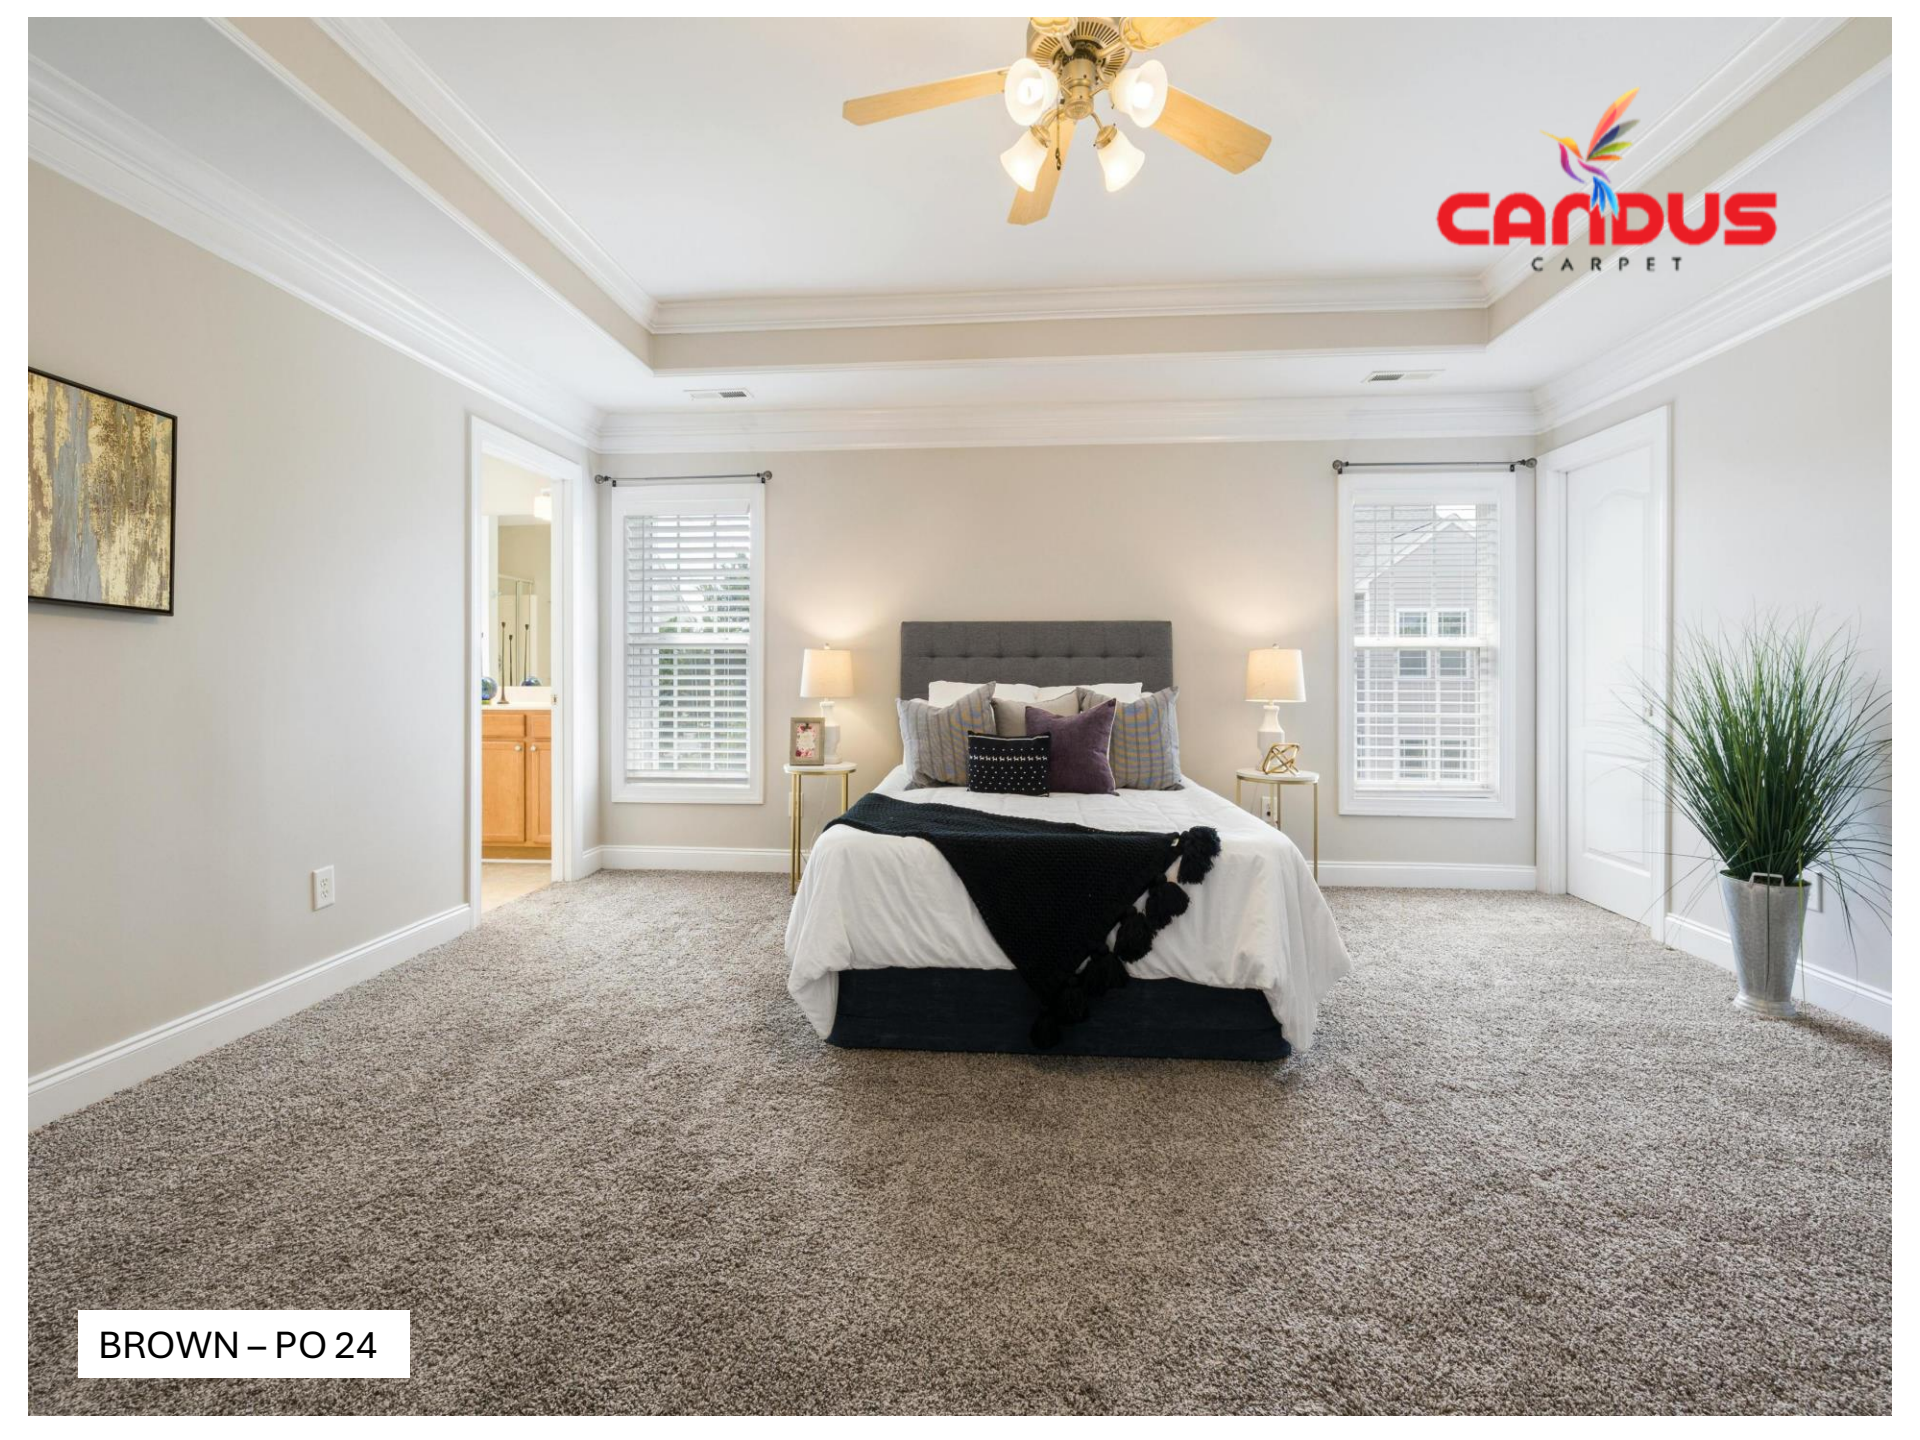

BROWN SHADE

Brown shade carpet is a classic and timeless choice for home decor, offering a warm and inviting atmosphere.
